

Rotary Interact Club and/or District Officer Scholarship

Money has been donated by an anonymous donor to fund a scholarship of up to \$200.00 per year for the next four years to cover District Interact Conference expense for a worthy club or district officer for one year. This student must have financial need and may not be able to pay the expense to attend the District Interact Conference without such financial help.

The scholarship will be applied for by the sponsor of the Interact Club not the student. A selection committee will award the credit to the Interact Club who will use the funds to cover the expenses of the selected student.

Application:

Students Name _____

Rotary Interact Club _____

School Attending _____
